

Press Release

- CARL FORNANDER, COO of Windy Scandinavia AB moves back to Gothenburg and sets up a new WINDY Dealership on the West Coast of Sweden.

Carl Fornander joined WINDY SCANDINAVIA AB early 2015.

As COO, and with burning passion for WINDY, Carl has made significant changes to our operation in Västervik and established a better platform for further growth.

With “Family First”, we fully understand that Carl and Emma Fornander must balance their professional lives; both in high position and raising children at home.

Carl Fornander, COO of WINDY SCANDINAVIA AB has offered his resignation and will return to his home city, Gothenburg during the month of May 2018.

At the same time, we are very enthused over the new WINDY Dealership Agreement for the West Coast of Sweden. Carl Fornander and his partner, Peter Lind (Ringens Varv AB) have established WEST COAST MARINE CENTER AB and entered a partnership agreement to market , sell and service WINDY in their part of Sweden.

West Coast Marine Center AB, will be based in Marstrand outside Gothenburg and opening operations this spring, focusing primarily on WINDY.

Further to the development of his WINDY Dealership, Carl Fornander will be retained by Windy Scandinavia AB on an ad hoc consultancy basis for the ongoing WINDY Yacht Tender projects.

NEW OPERATIONAL MANAGEMENT at WINDY SCANDINAVIA AB, Västervik.

Following the resignation of Carl Fornander, Mr. Jan –Henrik Stibe (CFO) and Mr. Dan Augustini (Project Manager) will take on the operational responsibilities and report directly to Knut Heiberg-Andersen, CEO of WINDY SCANDINAVIA AB.

The new Management Team is already coordinating efforts under the guidance of Carl Fornander and are highly motivated to take on their challenging jobs. They will be heading the same organizational structure as today.

There are no changes in market - nor product plans and we are currently on full speed ahead on the SR 43 Blackhawk as well as the WINDY 36 Shamal.

Our Factory in Västervik shall, as always, be welcoming prospective – and new WINDY Customers and we shall continue to entertain our “open yard policy” for the benefit of all WINDY Dealers.

Encouraged by the success we are experiencing in Stockholm (East Coast of Sweden), we all see great opportunities in this new venture.

West Coast Marine Center AB will be an independently operating Dealership enjoying the same fair terms of business as all WINDY Dealerships.

We welcome new WINDY Customers from the West Coast of Sweden welcome to WINDY SCANDINAVIA AB in Västervik
