

SR44 **Blackhawk**

Windy
YACHT PROJECTS

Next generation of SR now being developed for launch 2019.

In the wake of the successful WINDY SR52 Blackbird, the new WINDY SR44 Blackhawk will include the main characteristics of her larger sister.

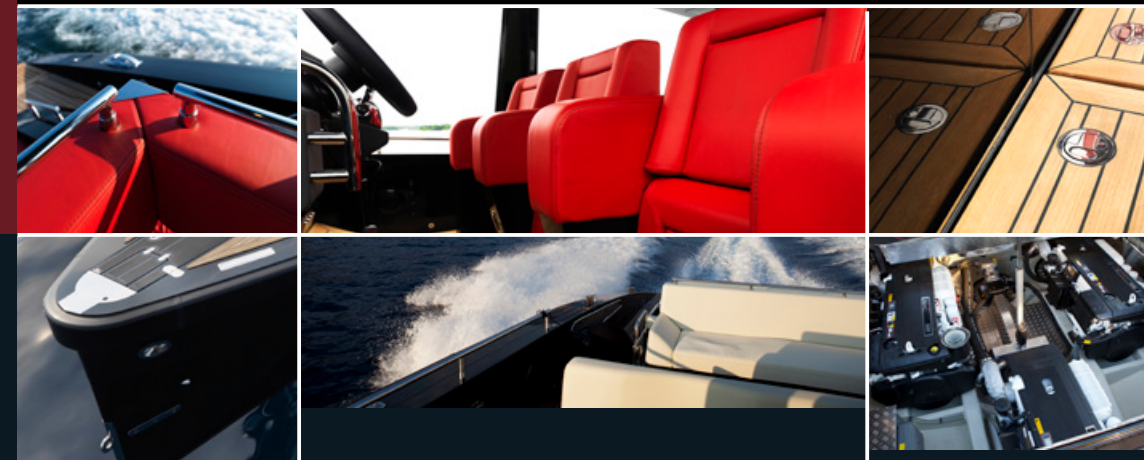

Unparalleled performance, build quality, range, and options will be offered with a Customization Program for individual taste.

The SR44 Blackhawk offers nice accommodation for Captain or the couple who wants overnight stays during extended weekends.

With experiences gained on the SR52 Blackbird we are lifting the SR44 Blackhawk to another luxury level; whether for use as a superyacht tender, a chase boat or a sportsboat for family and friends.

Long range and "off shore version" will be offered in due course.

GENERAL DIMENSIONS & CAPACITIES

• Length overall	13.33 m / 14.03 m
• Beam	3.96 m
• Draft — drives (light ship / full load)	1,10 m / 1,25 m
• Displacement (light ship)	9.5 - 10.0 tons
• Fuel tank	900 liters
• Fresh water tank	300 liters
• Engines	2 x Volvo Penta IPS 600 2 x Volvo Penta IPS 650 2 x Volvo Penta D6-440 DPI 2 x Volvo Penta D6-400 DPI Outboard version with 2 or 3 engines
• Max speed	43-45 kn (subject to sea and load conditions)
• Cruising speed	32-34 kn
• Range	280 - 300 nm at cruising speed.
• Accommodation	2 + 2
• Vinylester Vacuum Injection	High tech composite recapture.
• Classification CE Category B	
• Exterior design and styling:	Dubois & Windy Design Team
• Interior design:	Design Unlimited & Windy Design Team
• Naval Architect:	Hans Jørgen Johnsen

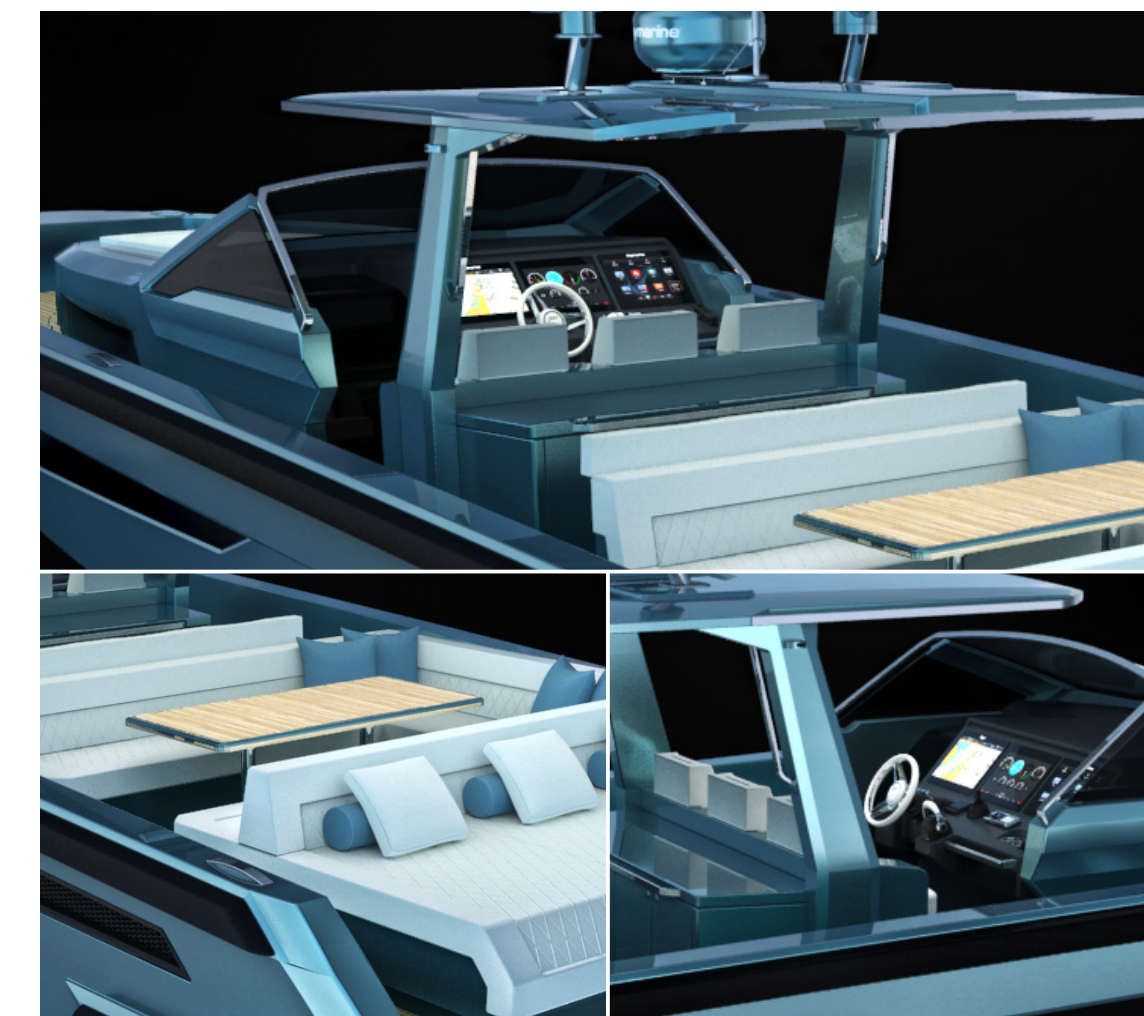

STANDARD EQUIPMENT AND FEATURES

HULL & DECK CONSTRUCTION

- Sandwich infused hull construction
- Vinylester resin infused
- Sandwich foam/ply bulkheads
- Sandwich infused hull liner
- Recess in hull for flush hull fixed portlights
- Stainless steel air intake grille
- White gelcoat (standard)
- Integrated T-top
- Heavy duty fender / rub rail
- Bow thruster Sidepower SE60-185

DECK FITTINGS & EQUIPMENT

- All fittings crafted and cast from highest grade stainless steel
- Stainless foldable deck cleats x6
- Rails in stainless steel
- Stainless bow roller and anchor stop
- Stainless Delta anchor (20 kg), 50 m chain
- Reversible anchor winch 700W, operated from deck or helm
- Chain lockers - fender stowage
- Starboard fresh water filler
- Holding tank w/ electric pump
- Decksides discharge-point for holding tank
- Flag pole / ensign socket
- Signal horn
- Navigation lights
- Down lights on aft deck
