**Windy**  
SPIRIT OF SCANDINAVIA

# HISTORY AND LEGACY

**WINDY** was established in 1966 by Hugo Vold. His father was a fisherman, and his family had many anxious moments awaiting his return as storms raged in the Skagerrak. All his father's boats were called 'Vindy', and he brought every one of them safely back to port. Vold shared his father's love of, and deep respect for, the sea.

Following his university education he became a boat builder. He wanted his vessels to be known for their seaworthiness and high quality, and he called his company 'Windy' in honour of his father's sturdy fishing vessels. At a time when Scandinavian producers ruled the European market, revolutionising boating and showing millions how to have fun on the water, Vold hired the best designers, sought out the finest boat builders and craftsmen and not only created a world-beating brand, but succeeded in turning the Windy name into a marque of quality. 57 years on, Windy Boats is proud to live according to Vold's legacy, and to build production and custom boats which are acknowledged throughout the world as second to none.

# UNRIVALLED SCANDINAVIAN QUALITY

When Windy Boats was established in 1966 our first sports boats set new standards for performance and craftsmanship. More than 57 years on, we're still driven by the urge to be the best.

All Windy Boats bear the hallmark of quality without compromise, drawing on five decades of boat building excellence, and centuries of Scandinavian seafaring heritage. Put simply, we build better boats because we are Windy. It is in our DNA.

## PRECISION ENGINEERED, HAND FINISHED

Windy's reputation is built on quality and craftsmanship. Our award-winning deep v-hulls are renowned for delivering an exhilarating, yet stable and dry ride. Our production facilities in Västervik, Ostroda and Słupsk are among the most advanced in Europe, employing resin transfer moulding to produce stronger, lighter, more fuel-efficient hulls. Distinctive interiors by leading superyacht designers combine clean Scandinavian lines with luxurious detailing. And every boat is hand-finished with Windy's customary perfectionism using the highest quality components and finest materials. For Windy customers, only the best will do.

## 27 Solano

With classic retro styling, unbeatable performance and handling for which Windy is renowned, the new 27 Solano sports boat is set to emulate the success of the legendary Zonda.

Steeped in Windy's core DNA, the Solano celebrates 'back to basics' boating, in 21st century style and comfort, with its focus on a big cockpit, great hull and excellent handling. Here is the pure, no frills sportboat of the type Windy built in the Sixties and Seventies, but with comfort, design and technology brought right up to date.

## WINDY 27 SOLANO RS

THE WINDY 27 SOLANO RS is an exclusive upgraded luxury version of the very successful Windy 27 Solano.

Let yourself be seduced by striking design, top notch performance and a number of exclusive equipment highlights. Make a statement for individual sportiness and luxury with the RS upgrade program from WINDY.

# 27 Solano

## THE INTERIOR

Based on over half a century's worth of Scandinavian design excellence and backed by the leading industry designers.

## PERFORMANCE

The 27 SOLANO is proud to be powered by Volvo Penta. The deep-V hull that is synonymous with Windy Boats is designed to tackle the toughest of Scandinavian sea conditions and get the best from the ever-willing Volvo Penta engines.

**VOLVO  
PENTA**

27 SOLANO offers the speed you associate with smaller boats whilst providing the comfort of bigger boats.

With a wide range of diesel and petrol engine options, the 27 SOLANO is capable of speeds in excess of 45 knots.

# LAYOUT

The generous cockpit seating area makes the 27 SOLANO superb all-rounder, allowing you entertain on a nice day out whilst having all the amenities for an extended stay.

# SPECIFICATION 27 SOLANO

A wide variety of options will be offered together with a Customization Program for individual taste.
