Windy
SPIRIT OF SCANDINAVIA

HISTORY AND LEGACY

WINDY was established in 1966 by Hugo Vold. His father was a fisherman, and his family had many anxious moments awaiting his return as storms raged in the Skagerrak. All his father's boats were called 'Vindy', and he brought every one of them safely back to port. Vold shared his father's love of, and deep respect for, the sea.

Following his university education, he became a boat builder. He wanted his vessels to be known for their seaworthiness and high quality, and he called his company 'Windy' in honour of his father's sturdy fishing vessels. At a time when Scandinavian producers ruled the European market, revolutionising boating and showing millions how to have fun on the water, Vold hired the best designers, sought out the finest boat builders and craftsmen and not only created a world-beating brand, but succeeded in turning the Windy name into a marque of quality. 58 years on, Windy Boats is proud to live according to Vold's legacy, and to build production and custom boats which are acknowledged throughout the world as second to none.

UNRIVALLED SCANDINAVIAN QUALITY

When Windy Boats was established in 1966 our first sports boats set new standards for performance and craftsmanship. More than 58 years on, we're still driven by the urge to be the best.

All Windy Boats bear the hallmark of quality without compromise, drawing on five decades of boat building excellence, and centuries of Scandinavian seafaring heritage. Put simply, we build better boats because we are Windy. It is in our DNA.

PRECISION ENGINEERED, HAND-FINISHED

Windy's reputation is built on quality and craftsmanship. Our award-winning deep-V hulls are renowned for delivering an exhilarating, yet stable and dry ride. Our production facilities in Västervik, Ostroda and Slupsk are among the most advanced in Europe, employing vacuum infusion molding to produce stronger, lighter and more fuel-efficient hulls. Distinctive interiors by leading superyacht designers combine clean Scandinavian lines with luxurious detailing. And every boat is hand-finished with Windy's customary perfectionism using the highest quality components and finest materials. For Windy customers, only the best will do.

WINDY SR 44 and **SR 44SX** include the main characteristics of her larger sister, the SR52. Unparalleled performance, seakeeping, build quality and range. As always WINDY are using exclusive materials and products from world leading suppliers such as Garmin or Sunbrella.

With experiences gained on the SR 52 Blackbird we are lifting the **SR 44** and **SR 44SX** to another luxury level; whether for use as a sports-boat for family and friends or as a chase boat yacht tender.

SR 44SX

WINDY SR 44SX includes the same main characteristics and also to a large extent the same specifications as the SR 44 inboard engine version.

SR 44SX is powered by Yamaha or Mercury engines. Meaning same unparalleled performance, seakeeping and build quality as our discriminating clients should expect from a Windy boat.

SR 44SX

SAR 44

THE INTERIOR

The interior design was created by Design Unlimited. In the yachting industry, the Design Unlimited signature is synonymous with refined materials, assemblies and finishes.

PERFORMANCE

The deep-V hull that is synonymous with Windy Boats is designed to tackle the toughest of Scandinavian sea conditions and get the best from the ever-willing Volvo Penta engines.

With a wide range of diesel and petrol engine options, the SR 44 is capable of speeds in excess of 50 knots.

LAYOUT

The generous cockpit seating area makes the SR 44 and SR 44SX the superb all-rounder, allowing you to entertain on a nice day out whilst having all the amenities for an extended stay.

SPECIFICATION SR 44 AND SR 44SX

A wide variety of options are offered along with a customisation programme for individual taste.

HULL & DECK CONSTRUCTION

- Sandwich infused hull construction
- Vinylester resin infused
- Sandwich foam/ply bulkheads
- Sandwich infused hull liner
- Recess in hull for flush hull fixed portlights
- Custom 3D printed air intake grille
- White gelcoat (standard)
- Integrated T-top
- Heavy duty fender / rub rail
- Bow thruster Sidepower SE60-185

DECK FITTINGS & EQUIPMENT

- All fittings crafted and cast from highest grade stainless steel
- Stainless foldable deck cleats x6
- Rails in stainless steel
- Stainless bow roller and anchor stop
- Stainless anchor (20 kg). 50 m galvanised chain
- Reversible anchor winch 700W, operated from deck or helm
- Chain lockers - fender stowage
- Fresh water filler on starboard side
- Holding tank w/ electric macerator
- Decksides discharge-point for holding tank
- Flag pole / ensign socket
- Signal horn
- Navigation lights

COCKPIT

- T-Top in vacuum infused GRP
- Self-draining cockpit
- Comfortable seating for 7-8
- Storage under seating
- Handcrafted cockpit table in finest wood
- Cockpit galley with cupboard, wastebin, H&C water and sink
- Hot and cold water
- Glass holders
- Overhead LED lights
- Dimmer for overhead LED lights
- Hand-held fire extinguishers
- FUSION speakers
- FUSION radio with Bluetooth and DAB functionality

CREW CABIN

- 2x Single berths with high-quality spring mattresses
- Skillfully crafted interior woodwork
- Non-slip floor
- Reading lights (2)
- Lockers
- Overhead LED lights
- Dimmer for overhead LED lights
- 230V / USB socket

BATHING AND DINGHY PLATFORM

- Bathing ladder
- Shower with hot and cold water
- 230V Shore-power connection (incl. cable)

HELMSMAN'S AND CO-PILOTS' POSITION

- Helm position bridge with individual foldable pilot and co-pilot chairs
- Nextel antiglare surface on dashboard
- Heavy duty windscreen wiper
- Single electronic lever engine controls
- Volvo Penta Glass Cockpit 1 x 17" Garmin screens
- Digital engine data instrumentation
- Digital Switching
- USB socket/port
- Hand-held fire extinguishers
- Cup holders
- FUSION radio with Bluetooth and DAB functionality
- SR adjustable Sport steering wheel
- Electronic steering
- Humphree interceptors X-450 (Auto-trim)
- Stainless steel grabrails
- Emergency fuel cut offs
- Horn
- Foldable seats
- Glove box
- Foot rests
- Windshield tinted toughened glass

FORWARD CABIN

- Double berth with high-quality spring mattress
- Skillfully crafted woodwork
- Full hanging wardrobe
- Lights in wardrobe
- Lockers for personal items
- Wooden floor
- Reading lights (2)
- Overhead LED lights
- Dimmer for overhead LED lights
- Drawers for storage
- 230V / USB socket
- Blinds
- Deck hatch with mosquito net and night screen
- Fusion Panel stereo and speaker

DAY HEAD & SHOWER

- Counter top in high-grade composite material
- Wash basin with hot and cold water
- Electric toilet
- Separate shower
- Glass holder
- Towel hooks
- Bathroom furniture in finest wood
- Mirror
- Overhead LED lights

- Dimmer for overhead LED lights
- Opening porthole
- Extractor fan
- 230V socket for shaver or hair dryer
- Soap dispenser

ELECTRICAL EQUIPMENT

- Electrical system 12 volt
- Holding tank w/ electric pump
- Fire Suppression System in engine room
- 230V Shore-power connection (incl. cable)
- Electronic charger for service batteries, 60 A
- Electronic charger for start batteries, 50 A
- Inverter, integrated with charger, 1200W
- Main battery switch
- 2 x 92Ah Batteries AGM start batteries
- 4 x 92 Ah AGM service batteries

BELOW DECK & SERVICE GALLEY

- Overhead cupboard
- Overhead LED strip lights
- Indirect lights companionway
- Indirect lights lower pantry
- Galley top in high-grade composite material
- Sink with hot & cold water
- Drawers for storage
- 2x 230V / 1x USB socket
- Cutting board
- Refrigerator 85L

OVERVIEW SR 44 AND SR 44SX

Length Over All:	13.33 / 14.03 m	43.88" / 46.04"
	14.46 m (SR 44SX)	47.44"
Beam:	3.96 m	12.12"
Height	4.84 m	15.11"
Draft:	0.65 m (without drive leg)	2.16"
IPS	1.10 m	3.73"
Weight:	Approx. 10.1 t	22 300 lbs
Material:	Resin infused GRP	
Top speed:	Approx. 44 knots*	51 mph
	Approx. 50 knots*	58 mph
