

THE WINDY *40 Camira*

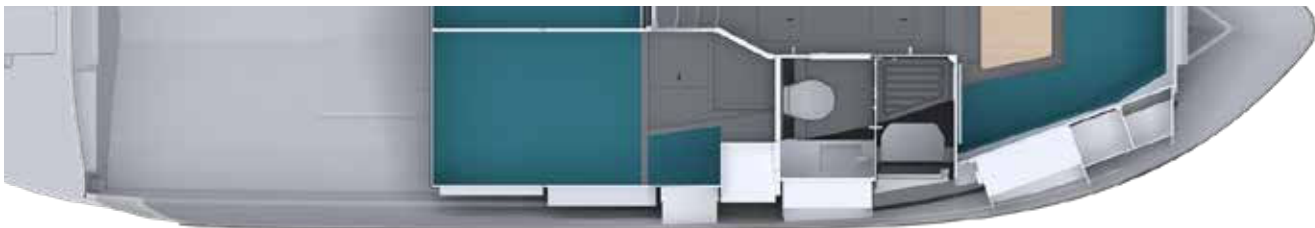

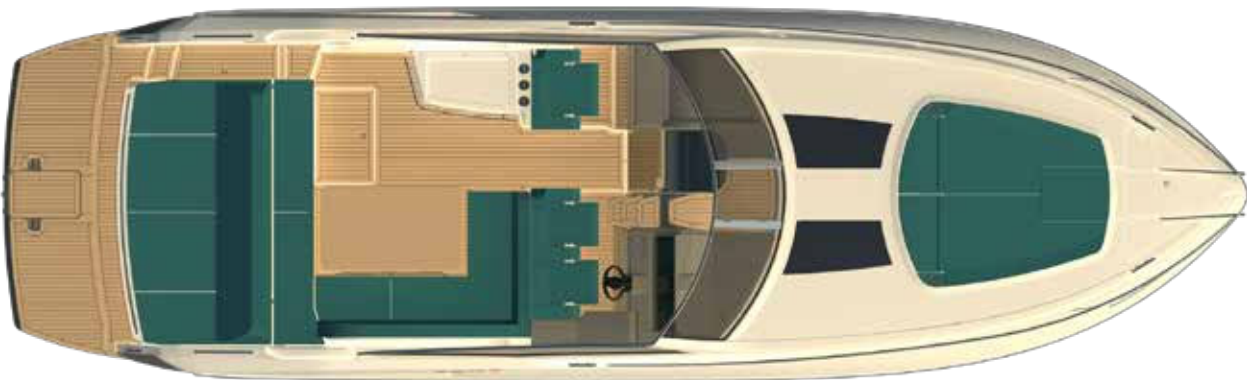

The Windy 40 Camira brings together elegant design, dynamic performance, and everyday versatility in a refined sports cruiser. With its sleek profile and deep-V hull, it delivers the speed and control expected from a Windy, while offering the comfort and space of a larger boat. Designed for both relaxed days and more spirited driving, the Camira adapts effortlessly to different ways of using the water. Generous deck areas, smart storage for water toys, and flexible social spaces make it a natural gathering point on board. Powered by Volvo Penta and built with Windy's hallmark craftsmanship, the 40 Camira offers a balanced experience where performance, comfort, and style come together seamlessly.

DESIGNED FOR LIFE ON DECK

Every line and surface of the 40 Camira is shaped with purpose. The spacious cockpit offers generous seating, flexible sun areas, and smart solutions that adapt to the moment. At the helm, a modernised layout with twin displays, excellent ergonomics, and clear visibility places you fully in control—while the full-beam hardtop with integrated sunroof adds both protection and openness.

SPIRIT OF SCANDINAVIA

A REFINED INTERIOR EXPERIENCE

Below deck, the 40 Camira reveals a thoughtfully designed interior by Design Unlimited. Clean lines, premium materials, and flexible layouts create a calm and comfortable space for extended stays. With options for different cabin configurations, a well-equipped galley, and a spacious bathroom, the interior is tailored to support both relaxation and practicality on board.

SCANDINAVIAN EXCELLENCE SINCE 1966

Located on Sweden's beautiful east coast, on the Baltic Sea, the Windy shipyard is where modern capability meets Scandinavian precision. Here, every boat is crafted in an environment designed for advanced engineering, meticulous craftsmanship, and uncompromising attention to detail.

Each stage - from structural construction to the final finish - is executed with consistency, attention, and care. The result is a level of quality you can rely on, season after season.

For six decades, Windy has built boats with one purpose: to give you absolute confidence at sea. More than 12,000 boats delivered stand as proof of that commitment, forming the foundation of a brand trusted by captains, chosen by professionals, and admired by those who value true performance and reliability.

Developed in collaboration with world-leading designers, naval architects, and master craftsmen, every Windy boat reflects a balance of engineering excellence and timeless Scandinavian design.

This is where your boat is built - in Sweden - by specialists who understand what it takes to perform when it matters most.
