- 3 x Volvo Penta D6-IPS 650
- 2 x Volvo Penta D8-IPS 800

*Subject to selected options, load case, sea state and hull conditions.
**Subject to engine option, size of fuel tank.

SR52 SPORT – THE BENCHMARK IN A NEW SUIT

The Windy SR52 Sport continues to define the category in yacht tender design. First unveiled at the Cannes Yachting Festival in 2010 as the SR52 Blackbird, it redefined what a luxury chase boat could be. More than 15 years later, and recognised by Superyacht Magazine as the world’s best chase boat, it remains the choice of owners and captains who demand uncompromising performance, versatility, and timeless design.

This latest evolution introduces a striking low-profile windscreen and an all-new deck layout, creating an even more dynamic silhouette while enhancing comfort, functionality, and the onboard experience. The result is a yacht tender and sporty day cruiser that combines world-class capability with Scandinavian craftsmanship, equally at home alongside a superyacht or exploring the coastline on its own.

THE NEW BENCHMARK

Windy
SPIRIT OF SCANDINAVIA

DESIGNED AROUND THE DRIVER

The redesigned cockpit has been created around the driver, featuring an all-new dashboard, an ergonomic helm position, and intuitive controls that inspire complete confidence at speed. Two rows of seating accommodate up to seven guests underneath the T-top in exceptional comfort, creating a social yet purposeful space for every journey.

Below deck, the Windy Design Team has reimagined the cabin with a spacious double berth, a fully equipped galley, and a generous head. Finished in the finest materials with meticulous attention to detail, every element reflects Windy's commitment to Scandinavian craftsmanship and timeless design.

More than 15 years of continuous refinement.
Driven by experience. Ready for the future.
